

Automatic Payment  
CREDIT UNION/MEMBER Agreement

\*\*\*Not for TNB USE\*\*\*

Note: This agreement is between the issuing credit union and the cardholder, and should be placed in the member's file. TNB Card Services does not need a copy of this form. To setup the member's account for Auto Pay, submit an Input and Maintenance Form to TNB.

I, \_\_\_\_\_, hereby authorize \_\_\_\_\_  
(cardholder) (credit union)  
to withdraw my monthly credit card payment from my account  
number \_\_\_\_\_. My credit card  
account number is \_\_\_\_\_, and the amount  
to be withdrawn should be: (check one)

- Scheduled Minimum Payment as shown on the statement
- Payment in Full as shown on the statement
- Fixed Payment Amount (even dollars) \$ \_\_\_\_\_

This amount will replace the "minimum payment" normally billed to the account and must satisfy the minimum payment percentage as disclosed on the cardholder agreement. If this fixed amount does not satisfy the minimum payment percentage (payment due is larger than the designated payment amount), then the true minimum payment amount will replace the designated payment amount.

I understand that I have the right to cancel this automatic payment arrangement through written notice to the credit union.
